

Specialty Carriers

Specialty Carriers by Pride® Silver Star™ Lifts and Ramps are an easy, economical way to take smaller mobility products on the road. The Power Tote Mini is the perfect solution for lifting your small scooter or travel scooter for transport, while the Caddy makes bringing your manual chair along simple and inexpensive.

Caddy

- Removable sections for easy storage
- Easily mounts to Class I hitch
- 100 lbs. lifting capacity

Power Tote Mini

- Weighs just 47 lbs.
- Easily attached to Class II hitch
- 150 lbs. lifting capacity

Specialty Carriers

Caddy
